

BECOME A MEMBER

St. Agnes is a small but very unique parish family with many gifts to offer. While we cannot offer you everything we certainly can offer you a lot, especially enrichment and growth of your faith. That's why we invite you to get on board with us as we worship and socialize together, educate our adults and children, and provide other services to our parishioners and community.

Even if you are not sure how long you will stay in Lock Haven you are welcome to register as a member. Parish membership is important from various aspects of life, especially sacramental, e.g. when you want to celebrate baptisms and weddings.

I am interested. What should my next step be?

If you would like to become a member of St. Agnes Parish, there are just a few simple procedures to follow:

1. Please fill out the registration form that is available in the vestibule of the church or at the church office.
2. After completing the registration form in its entirety, please, if it possible, return it to the parish office in person so that we can get acquainted with you and answer any questions that you may have. However, if stopping by is inconvenient, please place the form in the collection basket at mass or mail it to the parish office.

Your information from the registration form will be entered into our parish computer. Please help us to keep the information you provide us with up to date by notifying us of any appropriate changes, e.g., home address, telephone number, place of employment, etc. Please call the church office if you have any questions.
